2011 Summer greetings to you from the City of Osaka, Chicago Office!

Here in Chicago, we are witnessing a new era begin with Mayor Rahm Emanuel. Osaka and Kasai have fully shifted gears to re-energize post Tohoku Earthquake Japan. Our small office has been keeping busy preparing for the U.S. visit by Vice Mayor Kitayama for this coming July, so that we can share with our U.S. partners, the vitality, hope and energy that is building in Osaka and in Kansai. During his short 5 night stay in Chicago and San Francisco, he will be presenting in three business and tour promotional seminars, taking part in a solar trade show, and meeting with many partner organizations that our office has worked to develop. We hope that we see you in person at one of the events.
